1 single color transfers

SeriFlock

SeriFlock is a uniform monochrome screen-printed transfer with a soft velvet effect finish. Its elegance adds a pleasing high quality aesthetic to your textiles. The textured finish showcases your logos and sponsors, and is a branding technique much appreciated for its impact in the sports and marketing fields.

Available in 5 colours: L110 Golden Yellow - L200 Deep Red - L320 Intense Blue - L001 White - L700 Black.

SeriFlock is entirely compatible with traditional fabrics such as polyester or cotton, but may not work as well with more technical fabrics such as nylon or weatherproofed textiles...
